

Students in Putrajaya decorating their school fence with used plastic bottles. — Filepic

There must be other ways ...

Many types of plastic can't be recycled in Malaysia, but we don't all have to make creative artworks every time we wish to reduce plastic waste. >2

Immerse yourself in Europe

A coastal city that enchants everyone who visits, Nice is an eclectic slice of true French living. Pick up an antique book, savour fresh olives and lose yourself in a forgotten corner of this captivating city.

Explore some of Europe's most amazing cities with an unforgettable journey to Nice, Dublin or our newest destination, Prague.

Flying 3 times daily from Kuala Lumpur.
