# Flaming shocks

Two fires, two shocks. Each of the fires that claimed nine lives has unexpected twists. A well-known old folk's home in Kajang was gutted by a pre-dawn blaze that killed four residents and one employee. It turned out to be unregistered and unlicensed. What authorities thought was a tragic mishap in Tanjong Sepat where two boys and their grandparents died, now appears to be a case of murder-arson. >See reports on Pages 2 and 3

**Arson attack:** A curious crowd watching the wooden house razed in Tanjong Sepat. It was deliberately set on fire.
