## CLADDING FACTOR IN EPF FIRE

THE EPF building that was engulfed in flames yesterday was wrapped in highly inflammable cladding, the same material that caused the Grenfell Tower tragedy in London.

■ CONTRIBUTORS' INFORMATION AND SAVINGS NOT AFFECTED, SAYS EPF

## Intense battles expected in 46 seats

THE winners in the 13th GE scraped through with majorities of fewer than 3,000. An analyst says candidates will have to take additional measures to tip the scales in these parliamentary constituencies.
