## Young firefighter

Ahmad Danial Ahmad Suhairi's wish to become a firefighter was fulfilled when Pahang Fire and Rescue Department director Nor Hisham Mohamad (left) helped him to put on his uniform. The seven-year-old was later taken for a ride in a fire engine around Beserah. Ahmad Danial suffers from stage four diffuse intrinsic pontine glioma - an aggressive brain tumour. Persatuan Sokongan Anak-Anak Kanser support group makes the effort to help realise the dreams of children suffering from cancer.
