

He said 108 individuals had been arrested, with 26 charged at court involved seven IPs.

Adib was reported to have been critically injured during an incident when he and a team of firemen answered a distress call about a vehicle torched during a riot outside the temple on Nov 27, last year.

Adib was taken to Subang Jaya Medical Centre and later transferred to the National Heart Institute. Despite showing signs of recovery, he died on Dec 17.
