## Selangor homes to separate waste

**SHAH ALAM:** The state government will make it mandatory for households in Selangor to separate solid wastes. State Environment, Green Technology, Science, Technology and Innovation and Consumer Affairs Committee chairman Hee Loy Sian said a committee was drafting a bill on the management of solid wastes and public cleansing. "The Housing and Local Government Ministry has been informed of this aspiration, to request for a consultation on the matter. The public will separate the solid wastes and wait for the stipulated collection day," he said here yesterday.
