

According to the Star, Kuala Lumpur mayor Datuk Nor Hisham Ahmad Dahlan was pleased that the culprits were caught and punished for their misdeeds.

“They just want to avoid paying the tipping fees, that is why they dispose of the rubbish illegally,” he said.

Tipping fee charges are RM49 (Bukit Tagar in Selangor), RM48 (Taman Beringin in Jinjang) and RM30 (Sungai Kertas in Selayang).

When asked about the developers who hired the culprits, Nor Hisham said, “It is the small developers who are doing it.”
