Discerning donors: The beginning of the year is a good time to sort through your stuff and decide on what you want to keep, sell, recycle or donate. — Photo: YAP CHEE HONG/ The Star

Eco-friendly spring cleaning

Four NGOs collecting used items are thankful for the many charitable hearts among Malaysians, especially this time of the year, but they say it is important that donors are aware of the different categories of recyclables while preventing wastage. >2&3
